POSTAL REGULATORY
COMMISSION
OFFICE OF THE SECRETARY

9 SEPTEMBER 2011

The Postal Service has informed us in West Stockholm, NY, 13696 that our office will be closed. A rural route does not offer the same services as a post office. With 70% of our population of senior citizen age, this puts more of a burden on our community.

We cite title 39, United States code 404, specific powers.

Section 2A: The effect of such closing on the community served by such office.

Section 2B: The effect of closing on employees of the Postal Service at this office.

Section 2C: Whether such closing is consistent with the policy of the government, as stated in Section 101(b) of this title, that the Postal Service shall provide a maximum degree of effective and regular postal services to small towns.

We previously submitted our petition from box holders and surrounding rural customers, with nearly four hundred names, that use the facilities, to the district manager.

Your interest in this matter is certainly appreciated.

Respectfully,

Darrell W. Tracy
For the Ad Hoc Committee to Save West Stockholm P.O.
